AN ORDINANCE AUTHORIZING EXTENSION OF WATER LINES AND FOR
SUBMISSION OF CONTRACT FOR SUCH EXTENSION TO COMPETITIVE
BIDS

Be it ordained by the Board of Commissioners of the City
of Tatum, Texas:

That the water system operated by the city shall be
extended as follows: A 2" cast iron line approximately 4500 feet
running East from a point at A. P. Matthews, Sr. residence to the
Negro School; one railroad crossing; one highway crossing; one
wet connection; eight expansion joints; two 2" valves complete
with boxes, service connections and curb stops, installation of
meters and meter boxes; line to be buried 30" in depth. Since
such extension will probably involve the expenditure of more than
\$2000.00 and will require the issuance of time warrants, the con-
tract for such extension shall be submitted to competitive bids
under the provisions of Article 2368a, Revised Statutes of Texas;
that the City Secretary post the proper notice of the letting of
such contract and of the Board's intention to issue time warrants,
providing that the installation of meters and meter boxes shall
not be a part of the contract.
